

Bolton Safeguarding Children Partnership—Multi-agency Training

Keeping Children Safe (Advanced): Child Protection

Level — Advanced

Information

This course is aimed at those with Designated Safeguarding Officer or Child Safeguarding Lead responsibilities. It considers the child protection systems (Strategy meetings, Conferences and Core Groups) and procedures, individual roles and responsibilities.

(Please note there is a 1/2 day refresher course for those who have done the course previously)

Objectives

- The benefits of a Multi-agency approach to safeguarding
- Appropriate referrals (thresholds) and record-keeping
- Child protection processes and pathways
- Challenge and escalation
- The lived experiences for children and families
- Skills, resources and plans to engage with families
- Apply local templates and SMART action plans
